

**ASX ANNOUNCEMENT
(amendment)**

23rd July 2009

Operations Update - Amendment

Metgasco (ASX:MEL) advises the following:

Drilling of Corella-E17 Completed

The reference in the announcement earlier today to free gas flows of 30,000 mcf/day recorded without pumping in respect of Corella-E17 should read "30,000 scf/day"
